CUSTOM SOLUTIONS

Portable Golf Solutions is a very unique company focused on creating that unique experience that delivers fun and excitement to all who participate! Our strength lies in the fact that anyone can play in our putting challenges and often times the winner is the person you least expect to rise to the top! We collaborate in discussion with the client to understand the event, so that we can create the best sport-challenge to the type of participant and theme being presented!

SPACE REQUIREMENTS

Our Portable Golf Greens allow us to build the size of the Putting Green that fits in with any event floor plan. Our 50 Ft Putting Green is only 5 ft wide.

Establishing new solutions to event needs!

Everyone wants to make that BIG Putt!

If you don't believe me put a putter in the hands of a person standing next to a putting green and watch them anxiously get into a putting stance for the opportunity to "achieve" something extraordinary! The secret is in the challenge....and if promoted with the right prize as the end-goal of the competition, you have the ingredients for a very simple but successful event that could stand as your "MAIN EVENT", or side add-on feature! Our Portable 50 Ft Putting Green has been the feature at GALAS, CAR DEALERSHIPS, ELABORATE BALLS, UNIVERSITIES, SIT DOWN DINNERS, and even at a FOOD EXPO!

WHAT EVENT MANAGERS REALLY NEED TO KNOW!

The Ronald McDonald House Annual Golf Tournament committee held their annual Golf Fund raising weekend at Innisbrook Resort in Palm Harbor. The client was looking for something different at their Casino Night & Sponsorship appreciation Dinner! Portable Golf Solutions was hired to create a golfing experience that would not only raise additional funds but also allow one lucky participant the chance to win a TRIP FOR 2 with AIRFARE to SONOMA VALLEY, CALIFORNIA valued at over \$4,000.00.

A large community CANCER fund raising effort was enhanced by the competition created by the 50 Ft Portable Green in the center of the BILL HEARD CHEVROLET AUTO DEALERSHIP in Plant City! Hundreds of people turned out to support the cause and through the effort of pre-sold ticket entries, the event was a great success! By use of a lucky ticket draw, several people stood up in front of many cheering supporters to attempt a Hole In One Putt worth \$5,000.00.

MASSEY CADILLAC in Orlando, Fl. was the scene for another great promotional opportunity for one lucky qualifying champion to step up and win a brand new CADILLAC CTS! The contest was held to benefit the NATIONAL KIDNEY FOUNDATION-Orlando Chapter! The event also featured a Silent Auction, Jazz Music, and a Live Auction!

The TAMPA BAY BUSINESS EXPO and TASTE OF TAMPA held at the A LA Carte Event Pavilion in Tampa featured a 50 FT Portable Putting Green and a Hole in One competition as part of the evening networking highlights! A special POKER PUTT Qualifying enabled several hundred attendees to compete for the chance to be crowned POKER PUTT Champ for the night and an opportunity to attempt a single putt for \$5,000.00 in CASH!

GLOW LIGHTING CREATES A BUZZ!

The CHI-CHI RODRIGUEZ FOUNDATION created the perfect event revenue enhancer by hiring Portable Golf Solutions to deliver and install it's 50-Ft Portable Putting Green in the middle of the evening dining set up, at Raymond James Financial Event Hall! Not only was the competition a Fund Raising success due to a generous SPONSORSHIP, but CHI CHI himself took on the 50 Ft challenge as well to the delight of the entire crowd!

Technology Solutions for Non-Profits.
