This year was very special and a new excitement was in the air as new Head Coach Skip Holtz welcomed everyone to the 1<sup>st</sup> Coach's Social, held at Pepin Hospitality Center on Sunday night before the Golf Tournament on Monday, May 3. The Golf Tournament has a great committee of USF Boosters & Football Operations staff every year making sure every detail is covered to perfection. Dear Bob:  
I want to let you know how pleased we are to have Portable Golf Solutions Tournament Services involved in all of the past 4 years of USF Men's Golf Invitational Tournaments. Your assistance with event photography and especially the post party support helped add value to our sponsors and fun for our participants. The post tournament video, especially helped keep people in their seats and I believe helped us get more active bidding for our auction items. Thank you for helping us class-up the event! We look forward to working with you at next year's event.

Sincerely,  
Jim Fee

**Coach Claire Lessinger is known to stop her Charity Golf Tournament and have all the participants go through a series of back breaking spikes, digs, and saves before allowing anyone to play golf again! 😊**

Bob,  
I can't thank you and Portable Golf Solutions enough for your continued support of our program and annual fundraising golf tournament. I appreciate all the perks and prizes that you donate which help set this tournament apart from others. This year was another huge success setting new records in foursomes, golfers, sponsors, and dollars raised.
